

IIAM ARBITRATION & MEDIATION

United Nations

IIAM Arbitration is based on IIAM Arbitration Rules, which is intended to help parties and arbitrators to take maximum advantage of the flexible procedures available in arbitration for the resolution of disputes quickly and economically. The current IIAM Arbitration Rules, w.e.f. 01/01/2017 has adopted the UNCITRAL Arbitration Rules, 2010 with modifications and is intended to provide effective arbitration services through the use of administered arbitration on global standards.

International Mediation Institute

IIAM Mediation / Conciliation is based on the IIAM Mediation Rules, which is intended to help parties and mediators to resolve disputes quickly, economically and professionally. The IIAM Mediation Rules adopts the Mediators' Code of Professional Conduct and Mediators' Conduct Assessment Process, based on IMI guidelines (International Mediation Institute, The Hague)
